Attachments: Inland Power Notice.pdf; Invoices.pdf

Mr. Ward,

Mr. Finnigan's e-mail is still not working.

In response to Data Request 4, Part 2, the fourth person has not been added to the organizational chart. This is a part-time position that performs general labor and assistance to the Company. It was originally a volunteer position. However, members of the community complained to the Department of Labor & Industries and as a result, that position is now a paid position at the direction of the Department of Labor & Industries.

A copy of the invoices from the Accountant per Part 3 of Data Request 4 are attached.

In response to Data Request 4, Part 4, the System Operator is paid pursuant to a verbal agreement for services performed. Part of the verbal agreement was to pay the System Operator monthly without the necessity of an invoice or bill.

In response to Data Request 4, Part 7, a copy of the notice from Inland Power is attached. In reviewing the actual rates, it appears the actual increase is larger than originally reported by the Company.
